

My Fellow Members

This is Alex Mc Donald, who is stationed in Afghanistan and will be there for another year. He is the son of Dave Mc Donald, formerly a Loudoun Elk before moving to West Virginia. Alex grew up in Sterling and is a 2007 graduate of Park View High School. He recently visited Tim Frank. At a recent lodge meeting, Tim requested that we assist this soldier, on a long term basis, and make his tour of duty a little more comfortable. Alex provided some insight on what we could provide:

Baked Goods

Stationery

Hard Candies

Newspapers

Coffee (they have a coffee pot)

Small Toiletries Airport allowable travel and sample size.

Foil packets of individual moist towelettes.

Can we, members, friends and family assist us to make this project a sustainable endeavor?

Additional information will follow.

Fraternally Yours,

Dieter Schneider, PER
