To whom it may concern,

The purpose of this letter is to request your support for our Annual Elks National Foundation Scholarship Golf Tournament, to be held on June 1st, 2018. This golf tournament helps to fund cash scholarships for our local youth to defray their college expenses. Typically we provide four \$2,000 awards to deserving Loudoun County High School Seniors.

We are a non-profit organization servicing the local community for 50 years. Annually we provide Easter, Thanksgiving and Christmas food baskets to needy families. We sponsor 8-13 year old boys and girls to camp for a week every summer who would otherwise not be able to afford to go. We are also dedicated to raise funds for the support of our Veterans, and numerous other charitable programs benefiting the needy in our community. You may have noticed our new "Welcome Home" trailer, that we use to deliver furniture to previously homeless veterans that have recently been placed in homes but otherwise have no furniture.

The tournament is held at the Sterling Golf Club located in Sterling Park in Northern Virginia. It will be held on June 1st, 2018, and all the profit from the tournament goes directly to the cash scholarships.

You can help us in a number of ways:

Sponsor a "Hole-in-One" Tournament Hole for \$500.00 – As a generous sponsor, your company logo and information is displayed at the tee box where this special contest takes place.

Sponsor a Tournament Hole for \$150 – Your company logo and information is displayed on a sign at the tee box.

Sponsor a Tournament Golf Cart for \$50 – Your company logo and information is displayed on a cart used during the tournament.

Donate Merchandise or Services from your business to be used as door prizes. Gift cards or gift certificates are always appreciated by the tournament players.

It will be a fantastic day of food and friendly competition for a great cause. A tax donation receipt will be provided upon request. We hope you will support our charity fund raising event.

Sincerely,

Geoff Cox
Exalted Ruler
